Terrapin Station, DarkStar

DARKSTAR is a sim-wide themed experience dedicated to the Grateful Dead, its fans and the culture surrounding it.

We are always listening to great music here. Stop by and see what we're up to in The Lot. Make time for a real-time LIVE concert at August West Amphitheater, Alligator Beach, Hundred Year Hall, the flatbed in The Lot or Terrapin Station Dance Hall!

There are many exhibits to encounter on DarkStar including the Grateful Dead Museum and Franklin's Tower Deadhead Expo. The blotter acid art museum is on the second floor of the Mars Hotel. See the Wall of Sound at the August West Amphitheater. DarkStar has a replica of 710 Ashbury, a psychedelic hippie bus with a Ken Kesey & Merry Pranksters tribute, and there are two Terrapin Stations built using album covers as reference. The Grateful Dead Hall of Fame is located in Cumberland Mine. Enjoy peace in the Timbers of Fennario. Take a sim-wide tour and ride the DarkStar Express!

See how many items you can find in the Grateful Dead Scavenger Hunt, and win a dancing bear avatar! Play the "Operator" game in the Mars Hotel lobby; there are 48 Grateful Dead characters staying in the hotel! Can you find them? Play the Lyric Game in Terrapin Station and the GD Song Title Game in Franklins Tower. There are 12 lost Grateful Dead tickets on DarkStar; join the GroundScore Hunt!

The best thing about DarkStar is our growing happy family. Many friends call DarkStar "home". We enjoy hangin' out together and sharing the music and good vibes.
